Associate Profiles

VINCENT 'VINNIE' PAOLILLO

Operations & Sanitation Trainer/Facilitator

Background:

- Vinnie has more than 25 years of food industry experience in the areas of Cleaning and Sanitation, Food Safety, Product Quality and Operations Management.

Areas of Expertise:

- Sanitation Procedures (SSOPs)
- Master Sanitation Programs
- Sanitation and GMP Training
- Evaluation of Sanitation Programs
- Shelf-Life Improvement
- Quality & Process Troubleshooting

Experience / Accomplishments:

Vinnie worked for Publix Milk plant in Lakeland, FL from 1989 to 2009, working his way up from CIP Operator to General Manager. Vinnie's accomplishments include:

- Developed innovative ice cream production schedules to increase capacity, reduce shrinkage and labor, and increase scheduled PM time.
- Redesigned CIP programs to increase turnaround times and reduce rewashes.
- Developed CIP-able air blows to extend shelf life and reduce overall plant shrinkage.
- Publix plant was awarded Dairy Food Processor of the Year in 2008 and Dairy Foods Feature Facility in 2007.
